RELEASE OF DOCUMENTS

The policy of the Concrete Precasters Association of Ontario Product Registration Program will be to direct inquiries about specific product designs to the manufacturer. In the normal course of events details of this nature will be released only with the manufacturer's permission. However, the CPA reserves the right to release documents, drawings or any other material on file should it be necessary to protect the interest of the CPA or the integrity of the Registration Program.

*In the circumstance where CPA is compelled to release information and/or documents as aforementioned, the undersigned shall hold CPA, the **Program Administrator** and the Registration Committee, harmless of whatever propriety interest we may have in any part of our registration documentation.*
